ABOUT ME -

I'm Rowan and I am extremely passionate about film. I've gained incredible industry experience during my exchange semester in Vancouver, sparking my passion in not only fiction film making but non-fiction documentary making. I'm a hard worker who loves to work in teams and connect with people and experience new things.

EXPERIENCE -

DATE 06/23 - 09/23 **TITLE** Video Production Intern

TASK My day-to-day role was mainly editing videos and content using Adobe Premiere Pro or DaVinci Resolve. I would organize shoots, storyboards, present and pitch ideas. During my term, I was using the Canon C300, Sony FS7, and the Blackmagic URSA cameras and conducting live editing.

DATE 07/10/2020 **PROJECT** Netflix

TASK My responsibilities for the day were to ensure the set was locked down during the shoot, manage the public, take care of cast and crew, move and help replenish the refreshments table, and transport the rushes to base on wrap.

DATE 12/19 - 02/20 **PROJECT** HEEHAW

TASK As a Production assistant, my role was to organize and obtain permission to shoot in specific locations, perform assistant roles (such as taking calls, accommodating clients, and housekeeping tasks), email clients, source voiceovers, and source costumes for the shoots. I also assisted with transcribing and script checking.
